Summer 1992

## THE CHAIRMAN WRITES...

Firstly I must say how delighted we all are that Margaret Johnson's operation has been successful and that she is now on the road to recovery. Take it easy Margaret and don't go over the top when the family come home!

Whilst we don't know the final result of the show - it was most importantly for us a happy show and from your reaction it seems that everyone involved enjoyed themselves - well done.

Once we have got 'Tops & Tails' put together I'm sure that we shall be in demand and we shall have the opportunity of flying the E.N.A.O.S. flag abroad.

Do support the Bar-B-Q in July. It's always a super relaxed evening but we could always do with a few more members there.

Enjoy the summer break.

David Thompson

## ...AND THE PRODUCER

I would like to take this opportunity to thank you all for making 'Trial' and 'Sorcerer' so successful. It is always difficult to rehearse two shows at once but the end result was well worth the effort.

Looking forward to next year it's a pleasure to have George Baker back in the 'hot seat' producing his 'Tops and Tails' - which will no doubt give both audiences and ourselves a lot of pleasure.

'Iolanthe' will bring a different challenge to which I'm sure we will all rise.

Trevor Thurston

P.S. Thank you to George for judging at such short notice!
