Winter 1994

OUR CHAIRMAN WRITES...

I must start by extending a warm welcome to our new Producer, Derry Fuller - she comes to us with a wealth of talent and experience, I am sure we shall all enjoy working together with her.

Congratulations to those who were successful with the auditions. The standard was high and it is unfortunate that there is not a part for everyone. Commiserations to those who were not successful this year.

Congratulations again! Ernie and Hilda gave us an excellent party on the occasion of their Golden Wedding. Our sincere congratulations were expressed when two rose bushes - named 'Golden Wedding' were presented to them together with our good wishes for their future happiness together.

Sadly our dear friend Hilda Dickerson is not at all well. I was privileged to present her with a 35 year gold bar for her NODA award together with a floral tribute. We do hope that you will soon be feeling much better Hilda.

Most important - we must find somewhere to build and store our scenery for Die Fledermaus. Any suggestions or ideas please let me know and I will follow them up.

Finally Gina McInnes has agreed to become our new Business Manager and will be looking after the Box Office, Thank you for taking this on Gina and Good Luck!
